# Universal Health Network

Nevada Preferred Healthcare Providers would like to welcome you to the Universal Health Network medical PPO Network.

- For information about benefits:** Refer to your Benefit Plan Document or call the Benefits and Eligibility number on your insurance card.
- For information about Claims or Bills:** Call the Benefits and Eligibility number listed on your insurance card.
- For information about providers:** Call Universal Health Network at (800) 776-6959 or (775) 356-1159.

**Providers Practicing in Groups** - Providers listed in this directory may practice in more than one group. Not all groups or all providers within a group are necessarily contracted providers with Universal Health Network. Please call (800) 776-6959 prior to your appointment to verify the network status of your selected provider.

**Provider Location** - Individual providers may practice in a variety of different office locations. The listing of a specific provider does not mean that the preferred provider status applies to all practice locations. Before you visit a provider with two or more offices, please call Universal Health Network to verify that your choice is in fact a preferred provider location or visit our website at [www.uhnppo.com](http://www.uhnppo.com)

**Provider Specialty** - If you are unable to locate a specific provider under a given specialty, please refer to the alphabetical index to locate the provider by name.

**What Services are Covered** - This provider directory does not guarantee that all services of all providers will be covered under your healthcare plan. Be sure to consult your Benefit Plan Document to determine what types of providers and services are covered. Failure to check this could result in a reduction in your benefits or increased out-of-pocket expenditures for the medical services rendered.

**Providers Changing Status** - This directory is subject to change. New providers may enter the Network. Listed providers may no longer participate. To receive PPO advantages you must use a Preferred Provider. Therefore, each time care is needed; verify preferred provider status before services are rendered. Ask the provider if s/he is participating with Universal Health Network or call (800) 776-6959 or visit our website at [www.uhnppo.com](http://www.uhnppo.com)

**Effect on Benefits** - It is your responsibility to verify that your choice of provider and/or location of the office/facility is in fact a participating provider under your specific benefit plan. Failure to do so may result in reduced or denied benefits and higher out-of-pocket expenses to you.
